A local council must prepare a report for any financial year in which it receives CIL 'neighbourhood funding'. A local council receives 15% (or 25% if it has a Neighbourhood Plan) of CIL receipts for its area and must use CIL receipts passed to it for (a) the provision, improvement, replacement, operation or maintenance of infrastructure; or (b) anything else that is concerned with addressing the demands that development places on an area.

This report should be published by the local council

(i) on its website;

(ii) on the website of the charging authority for the area if the local council does not have a website;

and send a copy of the report to the charging authority from which it received CIL receipts, no later than 31st December following the reported year

We are retaining this money for the new play equipment that has been purchased and installed now, July 2019. This has cost £102,814.17 to buy and install.

Thank you
