

Oulton Broad Parish Council and Nicholas Everitt Park Trust

Safeguarding Policy

Introduction

The purpose of this policy is to make clear to all members, staff, volunteers and contractors what is required in relation to the protection of children, young people and vulnerable adults. Children, young people and vulnerable adults have the right to participate, have fun and be safe in the services provided for them and the activities they choose, or their parents / carers choose for them. This policy will help to maintain a safe and positive environment for children and vulnerable adults. Throughout this policy it relates to both Oulton Broad Parish Council and Nicholas Everitt Park Trust, not just Oulton Broad Parish Council where it is just stated.

Policy Coverage

This policy applies to all members, employees, volunteers and contractors working in partnership with Oulton Broad Parish Council. Under the Children Act 2004, Oulton Broad Parish Council has a duty to co-operate with other agencies and authorities to promote the well-being of children and young people. Suffolk County Council is the lead agency for the protection of vulnerable adults.

It is not the role of Oulton Broad Parish Council to investigate allegations of abuse. However, all members, employees, volunteers and contracted services providers have a responsibility to take action when they suspect or recognise that a child or vulnerable adult may be a victim of significant harm or abuse. This policy is to be used in conjunction with the Council's Risk Management Policy, Health and Safety Policies, Equality and Diversity Policy, Complaints Procedure, Grievance Procedures.

The phrase '**children, young people and vulnerable adults**' refers to:

- a) anyone under the age of 18 years.
- b) someone who is over the age of 18 who is, or may be in need of community care services by reasons of mental health or other disability, age or illness and is, or may be, unable to take care of him or herself, or unable to protect him or herself against significant harm or exploitation.

When the term '**parents**' is used, it is used in the broadest sense to include parents, carers and guardians.

Policy Principles

Oulton Broad Parish Council recognises that all children and vulnerable adults have an equal right to protection from abuse. It is committed to safeguarding children and vulnerable

adults and protecting them from abuse when they are engaged in services organised and provided by, or on behalf of, the Council.

Referrals of suspicions of abuse cannot be anonymous and should be made in the knowledge that, during the course of enquiries, the agency that made that referral will be made clear. Oulton Broad Parish Council will not tolerate the harassment of any member, employee, volunteer, contracted service provider or child/vulnerable adult who raises concerns of abuse.

Policy Statement

Oulton Broad Parish Council is committed to taking all reasonable precautions to safeguard the welfare of children and vulnerable persons that use its services and will promote a safeguarding culture and environment:

- It will endeavour to keep children and vulnerable adults safe from abuse.
- Suspicion of abuse will be responded to promptly and appropriately.
- It will act in the best interests of the child or vulnerable adult at all times.
- It will proactively seek to promote the welfare and protection of all children and vulnerable adults living in the local community.
- It will endeavour to ensure that unsuitable people are prevented from working with children and vulnerable adults through, as appropriate, its recruitment and selection policy and by reminding hirers of their safeguarding responsibilities.
- It will take any concern made by a member, employee, volunteer or contracted service provider or child / vulnerable adult seriously, and treat it with sensitivity.

Procedures and Systems

Definitions of Abuse:

- **Neglect** is where people fail to meet a child's or vulnerable person's basic physical / psychological needs and is likely to result in the serious impairment of their health or development, e.g. failure to ensure that a child is protected from unnecessary risk of injury, or exposing them to undue cold.
- **Physical Abuse** is where physical pain or injury is caused, e.g. hitting, shaking, biting, etc.
- **Sexual Abuse** is where children or vulnerable adults knowingly or unknowingly take part in an activity that meets the sexual needs of the other person or persons involved. This includes inappropriate photography or videoing.
- **Emotional / Mental Abuse** is where there is persistent emotional ill treatment that causes severe and persistent adverse effects on the child's or vulnerable person's emotional status e.g. bullying (including cyber and text bullying), constant criticism and unrealistic pressure to perform.

It is important to recognise that disabled children may be particularly vulnerable to abuse and may have added difficulties in communicating what is happening to them. Dependency on others for primary needs, e.g. feeding and clothing may make a person feel powerless to report abusive treatment.

This policy is inclusive of all children, young people and vulnerable adults, irrespective of their age, gender, race or ethnicity, religion, disability or sexual preference.

Use of Video and Photography

The use of photographs and images of young people will be controlled to prevent possible misuse. In general, agreement will be sought from parents or guardians that images can be used as appropriate.

Responding to allegations

If a person discloses abuse by someone else:

- Stay calm, take the allegation seriously.
- Allow the person to speak without interruption, accepting what is said, but DO NOT investigate.
- Only ask questions for clarification, do not ask leading questions.
- Alleviate feelings of guilt and isolation, while passing no judgement. Reassure them that they did the right thing by talking to you.
- Advise that you will try to offer support, but that you MUST pass the information on, do not offer to keep secrets.
- Record the facts as you know them.
- Refer the allegation immediately and directly to the appropriate person. If an employee or volunteer is implicated, refer to their Line Manager. If a manager or another young person is implicated, refer directly to the Parish Clerk. If the Parish Clerk is implicated, refer to the Chairman of the Parish Council. All allegations must be referred, no matter how insignificant they seem to be, or when they occur.
- Try to ensure that no-one is placed in a position which could cause further compromise.

As soon as possible after the incident or disclosure has occurred:

- Write down notes, dates, times, facts, observations, and verbatim speech.
- Ensure the correct details are available, the young person's / vulnerable adult's name and address, and the name and address of their parent or guardian.
- Immediately contact the Social Services Department at Suffolk County Council. Ask for a duty officer and indicate that you wish to discuss a matter of child / vulnerable person protection. Ask for the name of the person with whom you are speaking. Do not filter out or withhold any information. Ask if there is anyone else who should be informed.
- Inform the Local Authority's Monitoring Officer (Head of Legal Services, East Suffolk Council).
- Prepare a confidential file. Record all notes, conversations and advice from Social Services. Every effort should be made to ensure that confidentiality is maintained for all concerned.
- Store information in a secure place with limited access to designated people, in line with data protection legislation.
- Follow the advice from Social Services; take no other action unless advised to do so by Social Services.
- If in doubt about the advice you have received at any stage refer to Social Services for guidance.

Responding to concerns about a child's welfare where there has been no specific disclosure or allegation.

All members, employees, volunteers and organisations contracted to provide services on behalf of the Council are encouraged to share concerns with the Parish Clerk. The Parish Clerk will, if appropriate, make a referral to Social Services.

- neglected in appearance, dirty or 'smelly'.
- constant hunger, sometimes stealing food from others.
- inappropriate dress for the conditions.
- fear of parents or carers being approached for an explanation.
- flinching when approached or touched.
- neurotic behaviour e.g. hair twisting, rocking
- being unable to play
- fear of making mistakes
- self-harm
- fear of being left with a specific person or group of people, lack of trust in adults

- sexual drawings or language

Prevention

Recruitment

- Prospective employees will be interviewed, and previous, relevant experience will be noted. Two appropriate references will be taken up for all employees. All employees will undergo a probationary period.
- All members, employees and volunteers who are required to carry out duties that involve working with children or vulnerable adults or whose roles mean they come directly into contact with children or vulnerable adults will be checked by the Government's Disclosure and Barring Service (DBS) and / or appropriate safeguarding agency. In line with best practice, these checks will be repeated every three years.

Training

- The council will make the Safeguarding policy available to all members, staff and volunteers. Line managers will encourage good practice and identify any training needs required through the Council's Appraisal System.
- All members and employees will be expected to read this policy and sign the Declaration at the end of the document.
- Members will be offered appropriate training on safeguarding children and vulnerable adults.

Reporting

The Council is committed to maintaining an open culture where members, employees, volunteers, children, vulnerable persons, parents, guardians and carers feel able to express concerns both about child protection and issues of poor practice.

In addition to the procedures outlined in this policy, the Council's Complaints Policy are available to all members, staff, volunteers, and the general public.

Codes of Practice and Behaviour

These guidelines have been devised to protect children and vulnerable adults from abuse, as well as to protect members, staff and volunteers from situations where false allegations may occur.

The guidelines apply to those working with children or vulnerable persons involved in activities organised by or on behalf of Oulton Broad Parish Council or at services provided by Oulton Broad Parish Council.

Members, staff, and volunteers must:

- Treat everyone with respect, regardless of their age, ethnicity, social background, ability, sexual orientation, culture or religious beliefs.
- Provide an example of good conduct they wish others to follow.
- Plan activities which involve more than one other person being present, or at least which are within sight or hearing of others.
- Respect a person's right to personal privacy.
- Provide access for young people to talk to others about any concerns they may have.
- Encourage young people and adults to feel comfortable and caring enough to point out attitudes or behaviours they do not like.
- Remember that someone else might misinterpret their actions, no matter how well-intentioned.
- Recognise that special caution is required when discussing sensitive issues, such as bullying, bereavement, abuse or personal development.
- Recognise that some children or vulnerable adults will be more vulnerable to abuse than others, and may face extra barriers in getting help because of their race, gender, age, religion, disability, sexual orientation, social background or culture.
- Challenge unacceptable behaviour and report all allegations/suspicions of abuse.
- Be identifiable and wear a name badge at all times.

Members, staff and volunteers must not:

- Engage in physical horseplay, such as wrestling or tickling.
- Have any inappropriate verbal or physical contact with children or vulnerable people, or make suggestive remarks or gestures.

- Permit abusive youth peer activities (e.g. initiation ceremonies, ridiculing, bullying etc.)
- Play physical contact games with children or vulnerable adults.
- Jump to conclusions about others without checking the facts.
- Ask children or vulnerable adults to do things that are potentially dangerous, illegal or otherwise unreasonable.
- Exaggerate or trivialise abuse issues.
- Show favouritism to any individual.
- Rely on just their good name to protect them.
- Believe it could “never happen to me”.
- Take chances when common sense, policy or practice suggest a more prudent approach.
- Allow allegations made to go unchallenged, unrecorded and not acted upon

Oulton Broad Parish Council takes its responsibility very seriously. Employees and volunteers who breach these guidelines will face investigation and may face disciplinary action, which could lead to a dismissal. Volunteers in breach of the above Code of Conduct will have their services terminated with immediate effect and their parent organisation (as appropriate) will be informed. If a member does not adhere to the policy, there may be grounds for reporting their behaviour to the Monitoring Officer, who may require an investigation under the Code of Conduct. Where there is evidence of illegal activity, the member, employee or volunteer will be reported to the relevant authorities and may face a criminal investigation.

Procedure in Relation to Specific Services

Leisure services / Hall hire

Independent sports clubs and private individuals who regularly use the facilities operated by Oulton Broad Parish Council should have appropriate child protection and vulnerable adult policies in place, commensurate with the level of contact they have. Furthermore, their employees or volunteers who have significant and regular unsupervised contact with children and vulnerable adults should have satisfactory DBS checks. The Council will state on its Booking Forms and on posters in its Halls for hire that it is the Council’s expectation that groups will follow good practice procedures in relation to Child and Vulnerable Adult Safeguarding.

Use of Contractors

Oulton Broad Parish Council will take reasonable care that contractors doing work on behalf of the Council are monitored appropriately. Any contractor or sub-contractor engaged by the Council in areas where workers are likely to come into regular contact with children, young people or vulnerable adults, should have its own equivalent Child Protection and vulnerable adult policies, or failing this, must comply with the terms of this policy. This requirement will be written into the contract. If this is not met, the contractor will be deemed to be in breach of their contract.

Internet and e-mail Policy

Please refer to Oulton Broad Parish Council’s Data Protection policy.

First Aid

The administration of first aid to children, young people and vulnerable adults can present risks. Under ordinary circumstances, a child or young person can be administered with first aid only if their parent or guardian expressly permits this course of action.

When administering first aid, wherever possible, employees should ensure that another adult is present, or is aware of the action being taken. Parents/carers should always be informed when first aid is administered.

Child welfare is of paramount importance. In certain circumstances members, employees, volunteers and contracted service providers may undertake first aid as a last resort, notifying parents / carers as soon as possible, to minimise a child's or vulnerable adult's distress.

Special Events - Photography

It is an unfortunate fact that some people have used children and young people's events as opportunities to take inappropriate photographs or footage of children, every attempt should be made to ensure that this does not happen. Members, employees, volunteers and contracted service providers should be vigilant at all times. Anyone using cameras or film recorders for or on behalf of the Council should obtain consent from the parents of children being photographed or filmed before the activity commences.

When commissioning professional photographers or inviting the press to cover Council services, events and activities the Council's expectations must be made clear in relation to child protection by checking the credentials of any photographers, ensuring identification is worn and by not allowing unsupervised access to children or one to one photographic session.

Misuse of Procedure

Malicious complaints about a member or an employee(s) and/or serious and/or persistent abuse of these safeguarding policies and procedures will not be tolerated and will be dealt with through Oulton Broad Parish Council's disciplinary process.

Policy Monitoring and Review

All incidents and allegations of abuse and complaints will be recorded and monitored.
